EXPERIENCE

Medical Virtual Assistant

HopeHill Medical Center

03/2026 - 06/2026 Jos, Nigeria

- Scheduled patient appointments and managed calendars, ensuring efficient time management.
- Created and maintained detailed patient profiles and organized medical records.
- Processed patient intake forms and handled administrative paperwork for new patients.
- Managed EHR/EMR information to maintain accurate and up-to-date medical records.
- Verified insurance, completed prior authorizations, and communicated with patients to address inquiries.
- Onboarded patients and facilitated their initial interactions with the healthcare system.
- Sent appointment reminders to patients, enhancing communication and reducing no-shows.

Virtual Assistant

Kuava X

02/2026 - Present Jos, Nigeria

- Provided reliable remote administrative support, managing day-to-day tasks and using online tools to maintain workflow.
- Organized documents, managed emails, schedules, and calendars, ensuring seamless communication and record accuracy.
- Coordinated meetings and appointments while responding to client inquiries professionally.
- Assisted with data entry and information management to enhance operational efficiency.

KEY ACHIEVEMENTS

- Enhanced Booking Efficiency**
Increased appointment bookings by 25% in four months.
- Optimized EHR Accuracy**
Reduced administrative errors by 30% through meticulous EHR management.
- Improved Customer Support**
Handled over 100 customer inquiries weekly, improving response time by 40%.
